

# Statement

## Vegan content in products from Arctic Paper Grycksbo AB

All chemical products including raw material such as pulp, clay, calcium carbonate etc. used in the manufacturing process at Arctic Paper Grycksbo AB, are subject for risk evaluation before being approved for use.

This approval is mainly based upon the suppliers Safety Data Sheets and takes under consideration subjects like environment, health and security along with end use (recyclability).

To our knowledge, there are no substances that stems from animal origin in either chemical products or raw material used at Arctic Paper Grycksbo
